

2019 Workshop on Materials, Mechanical and Manufacturing Engineering is to be held in **Hong Kong** during **November 28-30, 2019**.

WMMM 2019 aims to provide a platform for scholars, engineers, and scientists to present robust research demonstrating the expanding frontiers in the fields of Mechanical, Materials and Manufacturing.

You are invited to participate in this great event for sharing ideas, friendship and culture in Hong Kong.

Important Dates

Submission Deadline: **June 20th, 2019**

Date of Notifications: July 10th, 2019

Registration Deadline: July 30th, 2019

Online Submission System: [Click](#)

Call For Papers

Hong Kong

Conference proceedings

Papers will be assigned to at least Two technical members for reviewing. Accepted full manuscripts of WMMM will be published by conference proceedings, which will be online and indexed by **Scopus** and **EI Compendex** after the conference.

Keynote Speakers

Prof. Ben Zhong Tang, The Hong Kong University of Science & Technology (HUST)

Prof. Alan Lau, Swinburne University of Technology, Australia

Prof. Tatiana Perova, The University of Dublin, Ireland

Topics

Topic 1. Material Science and Engineering

Composites
Micro / Nano Materials
Steel and Iron
Polymer Materials
New Functional Materials
Materials Physics and Chemistry
Biomaterials and Biomedical Materials
Optical/Electronic/Magnetic Materials
Thin Films
Microwave Processing of Materials
Testing and Evaluation of Materials
Metal Material

Topic 2. Mechanical and Manufacturing Engineering

Aerodynamics
Aerospace Structures: Analysis and Design
Aerospace Materials and Manufacturing Processes
Gas Turbine Propulsion Systems
Aircraft Performance, Dynamics, and Design
Robotics and Computer Numerical Control
Introduction to Optimization
Mechanical Vibration
Fundamentals of Finite Element Analysis
Advanced Strength of Materials
